IF YOU LIVE IN-STATE, YOUR 40% NEBRASKA INCOME TAX CREDIT ALSO HELPS.

We've applied for your pledge to get a 40% Nebraska Income Tax Credit under the Nebraska Community Development Association Act. But, Nebraska requires your pledge prior to their approval. Our project commitment is for a three years. When our library project is approved by Nebraska State, your pledge can be paid over this three year period, and your state income tax credits claimed up to seven years after your last payment.

We ask that you pledge a tax-deductible\* donation that qualifies for a 40% tax credit on your Nebraska income tax return. Your income tax credit, when approved, will be available during this three year period. We will announce your state income tax credit's approval, and its availability.

\* Consult your tax advisor about deductibility.

The Tekamah Public Library Foundation and our future generations thank you for your support. For more information about donations, visit [www.DonateToTekamahLibrary.org](http://www.DonateToTekamahLibrary.org).
